

**El 1% más rico de Estados Unidos tiene ahora más riqueza que toda la clase media: *la corriente neoliberal en 3 décadas transfirió la riqueza de la clase media al 1% más rico ("superhombres")...INSOSTENIBLE!***

### Top 1% of U.S. earners now have more wealth than the middle class

Share of all household wealth by year, Q2, 1993-2023

Source: Federal Reserve • Middle class is earners between the 20th and 80th percentile of income

Source: [Real-World Economics Review](#).
